Halo: Combat evloved

Halo was a cirkle world where master had been there and fought the covnant

Halo was a cirkle world where master had been there and fought the covnant. The space ship landed and Mastercheif survived. Cortana said pheew that was close but Masterchief just merely responded and went out the ship. Bodies were laid everywhere and it made a pool of blood. SUDNELY A SPACSHIP APPERED!! Masterchef covered beheind a rock and said to cortano " What are we do? Cortana sended a radiosignal to the nearest base but remembered tha the nearest base which was a spacship was destroyed by the evil covnat. Grunts were parachuting down from the ship and Elites were doing it too. Masterchef said " If they want a fight, the fight is one!
